BXS INSURANCE

BXS Insurance works with clients to understand their unique goals and challenges. Using proprietary resources and working through a team of 650+ insurance professionals, we develop comprehensive risk management and insurance programs. We help build protection that covers direct costs - premiums and deductibles - as well as indirect costs like lost productivity, legal expenses and missed business opportunities. This "Real Cost of Risk" consultation can have a significant impact on your company's financial performance. Our clients include publicly-traded companies, privately-held organizations, public entities, non-profits, and individuals.
